

Subscribing to the AgLearn Agency Lead Community

Subscribing to the AgLearn Agency Lead Community will take a few minutes, as you will have to scroll through a number of communities before you come to it. Once you subscribe, however, you will be able to locate it very quickly on subsequent logins.

Step	Activity	View
1.	From the Personal menu, select Communities .	
2.	From the drop-down list, select View All Communities .	
3.	Click Go .	
4.	Scroll down to the bottom of the page and change the number of records per page to 25 .	
5.	Click Next to jump to the next page of listings. Continue to click Next until you see the AgLearn Agency Leads community.	
6.	Click the Subscribe button.	
7.	When the community screen reappears, click the View Communities drop-down list and select View Subscribed Only .	
8.	Click Go .	
9.	Your default community page will now appear with only your subscribed communities.	
10.	Scroll down through the postings about job aids. Click the link to launch a PDF version of current job aids.
